

Brisa Large

Features

Brisa is the first polyurethane fabric designed with a unique ventilation system that enables it to breathe, keeping you cool and comfortable, no matter how long you use the chair.

Advanced fabric design

- Luxuriously soft and supple
- Stain, scratch and blemish-resistant
- More durable than vinyl and leather

Climate control technology

- Clinically proven to be more resistant to temperature changes than vinyl and genuine leather
- Superior comfort in all climate conditions - stays cooler than leather in warm weather conditions
- Resists cold weather stiffening and cracking

Stain resistant technology

- Clean effortlessly with soap and water
- Lifts most stains with alcohol-based solutions
- Disinfects with 5:1 bleach solution
- High, colour fast rating

Environmentally sound

- Technologically advanced, polyurethane-based product that is recognised for the way it protects the environment
- Production minimizes effluent, reduces emissions and consumes less energy

Animal-friendly alternative

- Looks better and out-performs leather
- No animal cruelty issues
